Parking

At arrival, please follow the Meeting Official's guidance to park your car.

After the road trips, you are not requested to park at the same parking place as you left, but simply complete the rows and park side-by-side in the same formation as you left the Meeting Square. Follow the Meeting Official's guidance.

Road trips

Enclosed in the welcome bag you will find separate driving instructions for the road trip.

Wristbands

In the welcome bag you will find a wristband, which gives you access to "all inclusive" and party the dinner Saturday if payed for.

Beauty Contest

If you have signed up for participation in the Beauty Contest, we will at arrival at the entrance put a coloured "dot" on the top left windscreen.

The colour indicates your participation class.

Green: Means Class 1, Original

Yellow: Means Class 2, Slightly modified

Red: Means Class 3, Highly modified

If you are signed up for the Beauty Contest, but have not received a dot at your windscreen – or you believe the colour is incorrect, please contact one of the Meeting Committee Officials.

At Saturday 14.30, it will be announced that the participants must be ready to meet the Officials who will perform the beauty contest.

Participant Favourite

All registered participants (one per car) will receive a ballot in the welcome package where you can vote on your favourite among all participating Opel GT's. Put the ballot in the ballot box at the entrance.

Longest distance travelled

We want to make something special for the Opel GT owners who come from addresses that are far from Vejle. Therefore, there is a special prize for the registered participant who has been driving the longest distance to participate in the 40 years anniversary meeting. Here, the distance calculated by Google Maps is used as the fastest route from the participant's private residence to the venue.

Car Wash area

It is possible to have your car washed at the meeting. Then, your car is ready for the Beauty Contest. Ask the committee members and staffs where you can do it.

Part sales

It is allowed to sell private parts from the area around your car.

If you have a bundle more parts to sell, please let us know in advance of the meeting and the meeting committee will try to organize space for this.

Waste

Please do not drop waste at the ground, but please use the waste bins.

Do NOT throw cigarettes or similar into the waste bins or on the ground please.

The Meeting Committee Officials

If you have any questions or any request, you can call one of the Meeting Committee Officials:

- Mikael Arngren, +45 61 68 12 47
